

HD FIRE PROTECT

Protecting what matters most to you

COMPANY PROFILE

Company Overview

HD Fire Protect Pvt. Ltd. is a leading manufacturer and global supplier of fire-fighting products. Our product range is extensive and comprises of water and foam based fire-fighting products and systems. We have been involved in meeting ever-changing and demanding industry standards, providing a wide range of products, from simple industrial fire protection systems to most complex firefighting skids. The team of professionals at HD is totally committed to developing, innovating and refining processes in order to design and manufacture the best in class products for fire-fighting applications. Our exhaustive testing facilities ensure that all of the products undergo rigorous quality and performance testing with compliance to various international standards. Over last 30 years "HD" products have been successfully accepted, installed and tested in thousands of sites across the world.

Our products carry several approvals including UL, FM, CE and Lloyd's Approval. HD Fire Protect Pvt. Ltd. is certified to the ISO 9001, ISO 14001 and ISO 45001 by TUV NORD. The cornerstone of our business is the strong relationship with our customers. While we serve many of reputed companies around the world, the right combination of product quality, efficiency in manufacturing, service excellence and domain expertise offers our customers a perfect value package.

Corporate Headquarters

Vision

To be recognized as one of the world's most trusted and innovative manufacturer of fire-fighting products by providing our customers highest quality products that combine performance and advanced technology with value pricing while achieving 100% customer satisfaction

RELIABILITY

- As a declaration of our commitment to quality, we have implemented Total Quality Control concept throughout the company
- ISO 9001, ISO 14001, ISO 45001 Certified
- Internationally Certified Products

QUALITY

- Every product we make is individually tested in our advanced testing facilities
- Proven product installations – field installed for over 30 years
- Strong emphasis on R & D in developing products with robust design, simple operation and lower maintenance

EXPERTISE

- 30+ Years of expertise in designing and development of fire-fighting products and systems
- In-depth understanding of both International and AHJ requirements
- State-of-the-art in-house Manufacturing facilities - from casting, machining, assembly to painting, testing and finishing

CUSTOMER FOCUS

- Commitment to serve our customers to build long lasting relationships
- Field service assistance provided - worldwide
- Ability to provide custom engineered solutions for specific customer needs

Approvals & Certifications

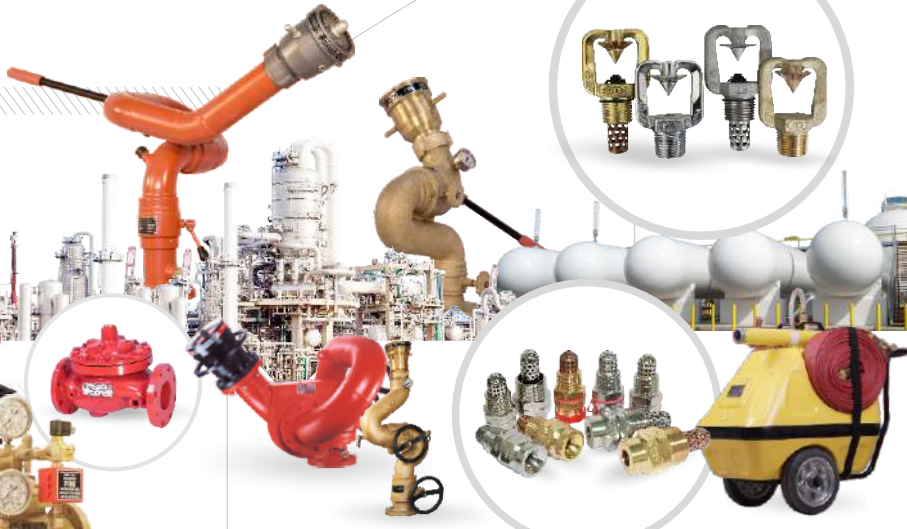

Deluge Valves & Skids

Wide-range of deluge valves and skids in various materials of construction, also suitable for harsh environments

Water Spray Nozzles

Wide-range of directional water spray nozzles in various materials of construction, also suitable for harsh environments

Monitors & Nozzles

Range of monitors in various materials of construction - carbon steel, stainless steel and bronze

Gas Suppression Systems

Range of inert gas & CO2 fire suppression systems

Pre-Action Systems

Range of single and double - Interlock pre-action systems

Foam-based Products

Wide-range of foam concentrates, foam discharge and proportioning devices including foam chambers, pourers, foam-water sprinklers, inline-inductors, balance proportioners, available in various materials of construction

Sprinkler Systems

Wide-range of sprinklers, flexible sprinkler accessories and alarm valves (grooved and flanged)

Bladder Tanks

Horizontal and vertical bladder tanks pre-pied with foam proportioners and accessories

Foam Concentrates

Range of high performance foam concentrates

System Valves & Accessories

Various valves including gate and butterfly valves, pressure gauges, flow switches, etc. required in fire fighting systems

Some sites where HD products have been installed

Food Processing

- INDRAMAMA Eleme Fertilizers, India
- Uniben Factory, Vietnam
- Wilmar Bio-Diesel Plants, Indonesia

Industrial

- Al Dur Water & Power Project (IWPP), Bahrain
- Alkalis, Divi's Lab, Dr. Reddy's, India
- BMW factory in 6th of October City, Egypt
- ECO Special Waste Management Facility, Singapore
- Facilities of Maruti Suzuki and TATA Motors, India
- Ilva Steel Plant Taranto, Italy (Largest Steelworks in Europe)
- Liwa Plastics Industrial Complex (LPIC), Oman
- SAIL's Bhilai Steel Plant, India's Largest Steel Plant
- Rayong Factory of Sanyo Kasei Ltd., Thailand
- Royal Eswatini Sugar Corporation, Eswatini (Africa)
- Suntory PepsiCo Vietnam Beverage Factory, Vietnam
- Various Facilities of TATA Steel, ESSAR, JSW, Jindal Steel Plants, India
- Various Facilities of the India Space Research Organization (ISRO)
- Various Facilities of Hindalco and Vedanta, India
- Various Facilities of UPL, TATA Chemicals, Gujarat

Iconic Buildings & Places

- Altair, Sri Lanka's Tallest Building
- Hamad Hospital, Qatar
- Lusail Palace of Qatar
- Lusail Iconic Stadium, Qatar
- Lodha World Towers, India's Tallest Building
- Lusail Private Palace, Qatar
- Ministry of Interior Data Center Facilities, Kuwait
- Qaf Es'Hail Communication Network Building for Qatar Armed Forces, Qatar
- Oasis Hotel, Qatar
- Various Hotels of the TAJ Group, India
- Various projects of DLF Group, New Delhi, India
- Various projects of Oberoi Realty, Mumbai, India
- YOTTA NM1, India's Largest Data Center
- New Parliament House, New Delhi, India
- G-20 ITPO Complex, New Delhi, India

Mining & Metals

- Barapukuria Coal Mining, Bangladesh
- Letpadaung Copper Mine, Myanmar
- OCP Phosphate Mine, Merah, Morocco

Oil & Gas and Petrochemicals

- Azikel Refinery, Nigeria
- BP (British Petroleum) Petrochemical Complexes in Indonesia
- Black Point CCGT Project, Hong Kong's first Natural Gas-Fired Facility
- BP-Castrol Facilities, Thailand
- BOTAŞ Petroleum - Crude Oil Pipelines, Turkey
- Duqm Refinery, Oman
- Dangote Refinery, Nigeria, Africa's Largest Refinery
- GPS Amsterdam B.V., Netherlands
- Halfaya field Gas Processing Plant, Iraq
- Mer Rouge Oil Storage Terminal, Mauritius
- Reliance Jamnagar Refinery, India's Largest Oil Refinery
- Sonatrach, Largest Oil Field in Algeria
- Suez Oil Processing Refinery in Egypt
- Singapore Refinery operated by Exxon Mobil
- Various Refineries & Facilities of IOCL, India
- Various Refineries & Facilities of BPCL, India
- Various Refineries & Facilities of HPCL, India
- Various Refineries of PT. Pertamina, Indonesia
- Various Facilities & Plants of Saudi Aramco, KSA

- Various Facilities of TOTAL ENERGIES, Fiji & Tonga
- Various Facilities of Gulf of Suez Petroleum Company – GUPCO, Egypt
- Various Pemex Facilities, Mexico
- Vopak Terminal Durban, South Africa

Ports/Metro/Airports

- Doha International Airport, Qatar
- Ho Chi Minh City Metro, Vietnam
- Istanbul Sabiha Gökçen International Airport, Turkey
- Malta International Airport, Malta
- Nhon-Hanoi Station Metro-Line, Vietnam
- Paris Métro Line 16, Paris Metro, France
- Salalah International Airport, Oman
- Ship anchorage facilities in Panama Canal, Panama
- Various Airports and Metro Stations across India
- Various projects of Qatar Metro, Qatar
- Velana International Airport, Maldives

Power Generation

- Amara Power Plant, Iraq
- Central Térmica Garruchos Power Station, Argentina
- Kékéli Efficient Power Station, Togo (West Africa)
- Montalto Di Castro PV Power Plant, Italy
- Matla Power Station in Mpumalanga, South Africa
- Maibarara Geothermal Power Project, Philippines
- Ministry of Electricity & Water, Kuwait
- Oruro Photovoltaic Solar Plant, Bolivia
- Olkaria V Geothermal Power Station, Kenya
- PTOLEMAIS Power Plants - Ptolemais, Greece
- Patuakhali Coal-fired Thermal Power Plant, Bangladesh
- Sohar Aluminium Combined Cycle Power Plant, Oman
- Sabiya West Power Plant, Kuwait
- Sarulla Geothermal Power Plant, Indonesia
- Soma Kolin Power Plant, Turkey
- Transmission, Power Grid Corp., India
- Vindhyachal Thermal Power Station, India's Largest Power Plant
- Various Plants of Nuclear Power Corporation of India
- Various Plants of NTPC Limited, India's Largest Energy Conglomerate
- Various Plants & Facilities of TATA Power, ADANI
- Van Phong 1 BOT Thermal Power Plant, Vietnam
- Various Power Plants of Saudi Electric Company, KSA
- Various Facilities of Puma Energy, Papua New Guinea
- World's largest Solar Plant, "Morocco Noor II", Morocco

Residential

- Lodha – World One Towers, Mumbai, India
